

Module 1 Video 1

UK (PS3, 5A, second meeting)

1. FAC: **So, would you share with us a bit about your picture**
2. F1 ((finger to mouth as she gets lost for words)) It was my aunts wedding and when I was about seven
3. FAC: What can you remember about the day, about going to the wedding, was it exciting, was the bride beautiful, the groom handsome. What was special about the day when you went to the wedding?
4. F1: ((Hand moves to chest)) I felt really excited being there to like be there
5. FAC: And did you have a special job, were you involved in the ceremony?
6. F1: ((Gestures to show roses being thrown)) Oh yeah, I was the rose girl so I was throwing roses.
7. FAC: Oh, so flowers. So, would you call it a rose carrier or a flower girl or bridesmaid, there's lots of different names isn't there? Flower girl
8. F1: ((nods))
9. FAC: Okay and where did the marriage happen?
10. F1: ((Maps out a 'big place' with hands)) I don't remember but it was this big place and that's where the ceremony was but the party was in a different place
11. FAC: Okay, was it a religious ceremony?
12. F1: ((Hands now in front of her, stomach height)): Yeah, it was a Christian.
13. FAC: It was a Christian ceremony. So, what was it like?
14. F1 ((smiles)): After we were sat down (?) it was a little bit boring.
15. FAC: It was a bit boring, was it long as well?
16. F1: ((Uses hands to display excitement)): Yeah, but when me and [unclear] with the rings it was like
(..)
17. FAC: It was exciting?
18. F1: ((Smiles)) Yeah.
19. FAC: Was it emotional?
20. F1: Yeah.
21. FAC: It sounds really (..) **has anybody else here been to a wedding?**
22. ((Classroom all talks at once))
23. FAC: **Who wants to share with me about their wedding favourite experiences? Who can remember going to a wedding and share something about it.**
24. ((F1 points to people in class))
25. M1: I was at a wedding and you know the platform they go to to get married 26. FAC: The platform as in when they stand up.
27. M1: (?)
28. FAC: Oh no, so you went to the wedding and the ceremony was on and you fell down the stairs, can you remember that?
29. M1: Not very well.
30. FAC: So, about four maybe, maybe three or four. Oh no, and do you remember that or is it because your family told you about it, is it on video?
31. M1: Maybe talking about it.
32. FAC: And how did it feel when they told you.
33. M1: Embarrassment.
34. FAC: **Has anybody else got a memory about a wedding they want to share?**
35. F2: I remember when I was two. I think my mum took me to Poland for her sister's wedding and we actually (..) my auntie's and a lot of people, like guests, they were basically dancing with me. I was like only two and everybody was trying to take care of me, but I was mostly crying during the wedding so (..) but I do remember like the music we had and like the cake.

36. FAC: Does anybody (?) going to see (..) I don't know about how you felt but you've reminded me how it's lovely to see everybody at weddings. You see people you haven't seen for ages and you think oh I forgot about you, am I related to you. There's some cousins you might have or friends who are a bit annoying (?). Do you remember that from a wedding, do you remember that, did you have to do that at your wedding, what did you have to do, what stuff happened?
37. F3: ((Gestures with hands)) Because I was smaller I had to go and say hello (?).
38. FAC: Yes, it's hard to connect to someone when you've not seen them for a while and you've got to go up and talk to them, and you're like what are you going to talk about and you've kind of got so many connections and stuff, I always feel a bit shy too. Does anybody else want to share a wedding experience, we've got a few eager
(..)
39. M2: I went to a wedding (?) me and my cousin were playing around there and the people (?) stage and then I fell in the curtain (?).
40. FAC: Oh wow. The people that were getting married?
41. M2: Yeah.
42. FAC: What happened? I have to say when I went to a wedding, I don't know about you, but I went to a Christian wedding like you and the bride was all in white. But then the same year I went to a Hindu wedding and the bride was in red and she just looked, and she had all gold over her, she just looked stunning. It was so different the Hindu wedding to the Christian wedding where it was a white dress and there was loads of colours at the Hindu wedding. Very colourful outfits and beautiful make up. And I just couldn't believe it. I felt like I was looking at princesses, you know. It was very different for me to go to different faith weddings. Has anybody else have that experience of going to a ceremony that is different to theirs, does anybody want to share?
43. F1: ((points to M3)).
44. M3: ((Waves hands around as speaking)) I've been to a wedding which basically there was plenty of juices at the far back. So, we got (..) we mixed all of the juices and we put pepper (?) and we were daring them to drink it. And I got another one which the cucumbers and then we got started fighting with the cucumbers.
45. FAC: At the wedding?
46. M3: ((smiles)) Yeah
47. FAC: And do you think the adults knew that you were doing all of this at the wedding?
48. M3: Yeah.
49. FAC: And was this a children's kind of, young people's lives at the wedding, what do you do, that's interesting, so you were doing potions and dares at the wedding?
50. M3: Yeah and our parents were just dancing.
51. FAC: And do you think the parents knew what you were doing all of the time, all of these potions and
52. M3: Yeah.
53. FAC: They did and they were okay with it?
54. M3: Yeah.
55. FAC: And who were you doing these potions with, were they people that you normally see?
56. M3: ((smiles)). Yeah and some people that I don't normally see.
57. FAC: So, would it be a member of your family or
(..)
58. M3: Friends and family.
59. FAC: Both. Yeah, you see them every time there is an event.
60. F4: When was eight I went to a wedding there was some policemen in a car (?) (..) and my mum was talking to them (?).
61. FAC: you went into them and what did he say to you?
62. F4: I felt embarrassed for the rest of the day.
63. FAC: What sort of wedding was it that you went to?
64. F4: It was in Thailand.

65. FAC: In Thailand, you went to Thailand for a wedding. So and how did the wedding, how did the ceremony work in Thailand, what was it like?
66. F4: The bride and the groom were colorful
67. FAC: So, very colourful and elaborate outfits, yeah?
68. F4: And it took place at a Temple (?) house.
69. FAC: Okay and where did you go to the wedding?
70. F4: groom's house.
71. FAC: So, very different to your wedding, the wedding that you went to. So, we've had some different, we've had some weddings in temples, in houses, in churches, in registry offices. There's a real mixture, everybody's been to kind of weddings all in different places. It's interesting to think about the different places they're in.
72. M4: ((Smiles, use hands to show the 'whole' cake)). I went to this wedding, my mum and my dad we went there with my brothers and sisters, and then I ate all of the cakes because I was really hungry, and then my mum was shouting because I have eaten the whole cake and I was eating with my hand, my face was full of chocolate.
73. FAC: You couldn't deny it.
74. M4: And then we went home and I said mummy can we go home now.
75. FAC: After you had eaten all of the cake?
76. M4: Yes.
77. FAC: And can you remember that wedding very well?
78. M4: Yeah.
79. FAC: How old were you?
80. M4: I was five.
81. FAC: You were five and when you started telling me about the wedding experience why did you start thinking about that experience, what made you think of that exact moment the cake eating, why did that come out that memory? It just came out, didn't it, good memory. I can see in your face you look really happy about your memory. I can see a bit of a twinkle in your eye because it was a good memory, a happy memory. Sometimes, when we're sharing pictures with each other it triggers stuff that you don't know you're really going to remember. Does any of our teachers remember anything about a wedding that you went to, any experiences?
82. T: I remember going to weddings as a child, maybe your age or younger, and we were like Leo's family where the parents and adults were all dancing. So, we were left to our own devices, hiding under tables, drinking drinks that we weren't allowed, trying whiskey and things because it was on the table And the bride she looked like a princess, those were my early memories. I just remembered dancing with all of my cousins and that's the memory that I loved, and I liked it because we were so close when we were younger. And now as we've got older the family is drifting away, but it seemed that when we were younger all of our cousins were always at the weddings and once we got together that was it. There was a little gang of us that ran around and we used to love it at weddings because there was loads of food & drink and no-one told you to stop.
91. FAC: You could just run around couldn't you because the others were so busy. Children do find space at weddings to do their thing. It's great to hear all of your adventures at weddings. We've got two more examples actually, do you want to quickly move forward to our next picture. We'll see who else wants to share a memory. Thanks.

21. FAC: It sounds really (..) **has anybody else here been to a wedding?**
22. ((Classroom all talks at once))
23. FAC: **Who wants to share with me about their wedding favourite experiences? Who can remember going to a wedding and share something about it.**
24. ((F1 points to people in class))
25. M1: I was at a wedding and you know the platform they go to to get married 26. FAC: The platform as in when they stand up.
27. M1: (?)
28. FAC: Oh no, so you went to the wedding and the ceremony was on and you fell down the stairs, can you remember that?
29. M1: Not very well.
30. FAC: So, about four maybe, maybe three or four. Oh no, and do you remember that or is it because your family told you about it, is it on video?
31. M1: Maybe talking about it.
32. FAC: And how did it feel when they told you.
33. M1: Embarrassment.
34. FAC: **Has anybody else got a memory about a wedding they want to share?**
35. F2: I remember when I was two. I think my mum took me to Poland for her sister's wedding and we actually (..) my auntie's and a lot of people, like guests, they were basically dancing with me. I was like only two and everybody was trying to take care of me, but I was mostly crying during the wedding so (..) but I do remember like the music we had and like the cake.

36. FAC: Does anybody (?) going to see (..) I don't know about how you felt but you've reminded me how it's lovely to see everybody at weddings. You see people you haven't seen for ages and you think oh I forgot about you, am I related to you. There's some cousins you might have or friends who are a bit annoying (?). Do you remember that from a wedding, do you remember that, did you have to do that at your wedding, what did you have to do, what stuff happened?
37. F3: ((Gestures with hands)) Because I was smaller I had to go and say hello (?).
38. FAC: Yes, it's hard to connect to someone when you've not seen them for a while and you've got to go up and talk to them, and you're like what are you going to talk about and you've kind of got so many connections and stuff, I always feel a bit shy too. Does anybody else want to share a wedding experience, we've got a few eager
(..)
39. M2: I went to a wedding (?) me and my cousin were playing around there and the people (?) stage and then I fell in the curtain (?).
40. FAC: Oh wow. The people that were getting married?
41. M2: Yeah.
42. FAC: What happened? I have to say when I went to a wedding, I don't know about you, but I went to a Christian wedding like you and the bride was all in white. But then the same year I went to a Hindu wedding and the bride was in red and she just looked, and she had all gold over her, she just looked stunning. It was so different the Hindu wedding to the Christian wedding where it was a white dress and there was loads of colours at the Hindu wedding. Very colourful outfits and beautiful make up. And I just couldn't believe it. I felt like I was looking at princesses, you know. It was very different for me to go to different faith weddings. Has anybody else have that experience of going to a ceremony that is different to theirs, does anybody want to share?
43. F1: ((points to M3)).
44. M3: ((Waves hands around as speaking)) I've been to a wedding which basically there was plenty of juices at the far back. So, we got (..) we mixed all of the juices and we put pepper (?) and we were daring them to drink it. And I got another one which the cucumbers and then we got started fighting with the cucumbers.
45. FAC: At the wedding?
46. M3: ((smiles)) Yeah
47. FAC: And do you think the adults knew that you were doing all of this at the wedding?
48. M3: Yeah.
49. FAC: And was this a children's kind of, young people's lives at the wedding, what do you do, that's interesting, so you were doing potions and dares at the wedding?
50. M3: Yeah and our parents were just dancing.
51. FAC: And do you think the parents knew what you were doing all of the time, all of these potions and
52. M3: Yeah.
53. FAC: They did and they were okay with it?
54. M3: Yeah.
55. FAC: And who were you doing these potions with, were they people that you normally see?
56. M3: ((smiles)). Yeah and some people that I don't normally see.
57. FAC: So, would it be a member of your family or
(..)
58. M3: Friends and family.
59. FAC: Both. Yeah, you see them every time there is an event.
60. F4: When was eight I went to a wedding there was some policemen in a car (?) (..) and my mum was talking to them (?).
61. FAC: you went into them and what did he say to you?
62. F4: I felt embarrassed for the rest of the day.
63. FAC: What sort of wedding was it that you went to?
64. F4: It was in Thailand.

65. FAC: In Thailand, you went to Thailand for a wedding. So and how did the wedding, how did the ceremony work in Thailand, what was it like?
66. F4: The bride and the groom were colorful
67. FAC: So, very colourful and elaborate outfits, yeah?
68. F4: And it took place at a Temple (?) house.
69. FAC: Okay and where did you go to the wedding?
70. F4: groom's house.
71. FAC: So, very different to your wedding, the wedding that you went to. So, we've had some different, we've had some weddings in temples, in houses, in churches, in registry offices. There's a real mixture, everybody's been to kind of weddings all in different places. It's interesting to think about the different places they're in.
72. M4: ((Smiles, use hands to show the 'whole' cake)). I went to this wedding, my mum and my dad we went there with my brothers and sisters, and then I ate all of the cakes because I was really hungry, and then my mum was shouting because I have eaten the whole cake and I was eating with my hand, my face was full of chocolate.
73. FAC: You couldn't deny it.
74. M4: And then we went home and I said mummy can we go home now.
75. FAC: After you had eaten all of the cake?
76. M4: Yes.
77. FAC: And can you remember that wedding very well?
78. M4: Yeah.
79. FAC: How old were you?
80. M4: I was five.
81. FAC: You were five and when you started telling me about the wedding experience why did you start thinking about that experience, what made you think of that exact moment the cake eating, why did that come out that memory? It just came out, didn't it, good memory. I can see in your face you look really happy about your memory. I can see a bit of a twinkle in your eye because it was a good memory, a happy memory. Sometimes, when we're sharing pictures with each other it triggers stuff that you don't know you're really going to remember. Does any of our teachers remember anything about a wedding that you went to, any experiences?
82. T: I remember going to weddings as a child, maybe your age or younger, and we were like Leo's family where the parents and adults were all dancing. So, we were left to our own devices, hiding under tables, drinking drinks that we weren't allowed, trying whiskey and things because it was on the table And the bride she looked like a princess, those were my early memories. I just remembered dancing with all of my cousins and that's the memory that I loved, and I liked it because we were so close when we were younger. And now as we've got older the family is drifting away, but it seemed that when we were younger all of our cousins were always at the weddings and once we got together that was it. There was a little gang of us that ran around and we used to love it at weddings because there was loads of food & drink and no-one told you to stop.
91. FAC: You could just run around couldn't you because the others were so busy. Children do find space at weddings to do their thing. It's great to hear all of your adventures at weddings. We've got two more examples actually, do you want to quickly move forward to our next picture. We'll see who else wants to share a memory. Thanks.

UK (PS3, 5A, second meeting)

1. FAC: Why did you choose to bring that in?
2. M2: Because it was Eid in Afghanistan.
3. FAC: **So, it's in Afghanistan, so it's celebrating Eid.**
4. M2: Yeah. All of our family was gathered around in this (?) park and my grandfather unfortunately had to bring his camera because he used to be a photographer, and I think he wanted me to wear this hat and he made me put it on and it made me smile (?) picture.
5. FAC: **Why did he make you wear that hat?**
6. M2: Because it was my dad's old hat.
7. FAC: **Oh, so your dad used to wear that hat as well and how does it link to Eid, how does that link to Eid?**
8. M2: Because he wore it on the same day as Eid.
9. FAC: **And does it represent something, does it mean something?**
10. M2: It doesn't mean anything it's some hats that Afghans wear.
11. FAC: **In the Eid celebration. Okay, I really love all of the (?) on there and I love the way it comes out like a little pyramid, a triangle, that's really lovely. I noticed a lot (?). What else can you remember about the picture?**
12. M2: On that day, I met one of my cousins (?) and he came to the wedding. He didn't like me that much but like whenever I got closer he'd scratch me on my face.
13. FAC: Oh wow, some cousins might do that sometimes when they're younger.
14. M2: And there was (..) I can remember that my oldest cousin he used to play cricket, he made this rumour that he met one of the famous players, a cricket famous player and then I got into him and he made me do stuff, like he made me do stuff that I didn't want to do, like go to the shops (?) and he would show me a picture of when I was a baby and it made me feel embarrassed.
15. FAC: Were you very small?
16. M2: Yeah.
17. FAC: **And what do you (..) when you look back at this picture how does it make you kind of feel, like to think of the time together with family, generations?**
18. M2: We're apart now, we're in different countries. My other cousin (?) like sometimes I cry about it because I never met them. I meet my grandparents every five years. When I met them this year, last year, I was so emotional and I kept sort of like following them and slept with them, but when I was leaving they cried their hearts out.
19. FAC: **They didn't want to leave you, yes. Can I ask why you slept with them - was it to feel close to them and to get in with them?**
20. M2: Yeah.
21. FAC: I used to sleep with my grandma when I was little
22. M2: My grandma she's (..) well, when I was in Afghanistan, we have this house, my cousin told me it was haunted and in one of the (?) they put their hands (?) in one of the pictures and told me like there's a ghost and a hand appeared.
23. FAC: **So, you want to sleep with your grandma to be safe?**
24. M2: ((Gesticulates with hands)) (?) in the new house we had (..) my brother even told me as a
child stories, scary stories that because they had like plastic bags covering their balcony (?) and she told me that, she told me they were covering that up because the ghost doesn't like coming through the balcony.

2. FAC: **Yeah (..) so you were born in Holland**
3. M2: Yeah but my parents were in Sri Lanka
4. FAC: Ok (..) so who (..) **how would you describe yourself then, what's your, who are you, where's your place in the world, how would you describe yourself to somebody?**
